

CSR Management

We are building a CSR management cycle that reflects feedback from customers and other stakeholders in our management and operations.

CSR Promotion Committee

We appointed one director to oversee our CSR management structure. The president chairs the CSR Promotion Committee, which formulates our CSR action plans and deliberates on our CSR Report as part of efforts to bolster our initiatives.

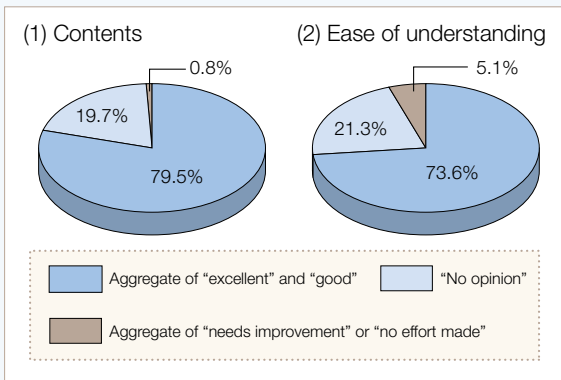

Group CSR Promotion Subcommittee

We established this body to foster Groupwide CSR efforts, ensure understanding of our action plans and implement plan-do-check-act (PDCA) initiatives.
