

## Procurement Plan for Our Electric Power Facilities

(Category: Equipment and materials for Thermal power/Nuclear power stations)

(Conditions below are subject to change.)

Description and Specifications		Quantity	Unit	Requesting Office/Station	Month of quotation	Month of delivery
Facilities for Thermal power stations	Drive control system of main valves on No. 4 unit	1	set	Shin Kokura Thermal Power Station	Apr-2012	Jun-2013
Facilities for Thermal power stations	Water quality control system on No. 4 unit	1	set	Shin Kokura Thermal Power Station	Apr-2012	Jun-2013
Facilities for Thermal power stations	Inspection, testing and repairing works of HP and IP rotor bore holes for No. 3 Steam turbine	1	set	Shin Kokura Thermal Power Station	Sep-2011	Jan-2012
Facilities for Thermal power stations	Inspection and repairing works of Reheater head for No. 3 Boiler and others	1	set	Shin Kokura Thermal Power Station	Aug-2011	Jan-2012
Facilities for Thermal power stations	Repairing works of EHC system for No. 5 Steam turbine	1	set	Shin Kokura Thermal Power Station	Jun-2012	Jan-2013
Facilities for Thermal power stations	Repairing works of coupling bolts on HP and IP rotors on No. 5 steam turbine	1	set	Shin Kokura Thermal Power Station	Oct-2011	Jan-2013
Facilities for Thermal power stations	Repairing works of medium temperature elements for AH on No. 4 Boiler	1	set	Shin Kokura Thermal Power Station	Jun-2012	Jun-2013
Facilities for Thermal power stations	Detailed inspection of High voltage bushings on No. 5 Generator and other repairing works	1	set	Shin Kokura Thermal Power Station	Apr-2012	Jan-2013
Facilities for Thermal power stations	Repairing works of stator coils for A-GRF motor on No. 5 unit	1	set	Shin Kokura Thermal Power Station	Jan-2012	Jan-2013
Facilities for Thermal power stations	Detailed inspection of Main transformer on No. 5 unit and other repairing works	1	set	Shin Kokura Thermal Power Station	Jan-2012	Feb-2013
Facilities for Thermal power stations	Special inspection of Generator rotor on No. 5 unit and other repairing works	1	set	Shin Kokura Thermal Power Station	Dec-2011	Jan-2013
Facilities for Thermal power stations	Special inspection of Generator rotor on No. 4 unit and other repairing works	1	set	Shin Kokura Thermal Power Station	May-2012	Jun-2013
Facilities for Thermal power stations	Inspection and repairing works of APC system on No. 3 unit	1	set	Shin Kokura Thermal Power Station	Aug-2011	Jan-2012
Facilities for Thermal power stations	Inspection and repairing works of Drive control system for major valves on No. 3 unit	1	set	Shin Kokura Thermal Power Station	Aug-2011	Jan-2012
Facilities for Thermal power stations	Inspection of Actuators for Motor operated valves on No. 5 unit	1	set	Shin Kokura Thermal Power Station	Jun-2012	Jan-2013
Facilities for Thermal power stations	New FBK Turbine oil (#32)	20,000	L	Shin Kokura Thermal Power Station	Sep-2011	Oct-2011
Facilities for Thermal power stations	Inspection and repairing works of major valve servomotors on new No. 1 Steam turbine	1	set	Karita Thermal Power Station	Dec-2011	Jun-2012
Facilities for Thermal power stations	Inspection and repairing works of safety devices on new No. 1 BFPT	1	set	Karita Thermal Power Station	Oct-2011	Jun-2012
Facilities for Thermal power stations	Inspection and repairing works of #B CWP pump on New No. 1 unit	1	set	Karita Thermal Power Station	Jan-2012	Jun-2012
Facilities for Thermal power stations	Overhaul, inspection and repairing works of Gas turbine on new No. 1 unit	1	set	Karita Thermal Power Station	Sep-2011	Jun-2012
Facilities for Thermal power stations	Inspection and repairing works of Boiler generating tubes on new No. 1 unit	1	set	Karita Thermal Power Station	Nov-2011	Jun-2012

## Procurement Plan for Our Electric Power Facilities

(Category: Equipment and materials for Thermal power/Nuclear power stations)

(Conditions below are subject to change.)

Description and Specifications		Quantity	Unit	Requesting Office/Station	Month of quotation	Month of delivery
Facilities for Thermal power stations	Inspection and repairing works of combustion layer internal pipings on new No. 1 Boiler	1	set	Karita Thermal Power Station	Nov-2011	Jun-2012
Facilities for Thermal power stations	Inspection and repairing works of left side wall tubes on new No. 1 Boiler	1	set	Karita Thermal Power Station	Nov-2011	Jun-2012
Facilities for Thermal power stations	Inspection and repairing works of welding couplings at combustion layer internal pipings on new No. 1 Boiler	1	set	Karita Thermal Power Station	Nov-2011	Jun-2012
Facilities for Thermal power stations	Inspection and repairing works of Ball valves in Ash treatment system on new No. 1 unit ( periodical inspection	1	set	Karita Thermal Power Station	Oct-2011	Jun-2012
Facilities for Thermal power stations	Inspection and repairing works of Ash cooler in Ash treatment system on new No. 1 unit	1	set	Karita Thermal Power Station	Dec-2011	Jun-2012
Facilities for Thermal power stations	Inspection and repairing works of Fuel pretreatment system on new No. 1 unit ( periodical inspection	1	set	Karita Thermal Power Station	Oct-2011	Jun-2012
Facilities for Thermal power stations	Inspection and repairing works of Fuel supply system on new No. 1 unit ( periodical inspection	1	set	Karita Thermal Power Station	Oct-2011	Jun-2012
Facilities for Thermal power stations	Inspection and repairing works of stator coils for HV motors on No. 1 unit and others	1	set	Karita Thermal Power Station	Dec-2011	Jun-2012
Facilities for Thermal power stations	Turbine oil	6,000	L	Karita Thermal Power Station	Mar-2012	Apr-2012
Facilities for Thermal power stations	Pump operating oil	10,400	L	Karita Thermal Power Station	Feb-2012	Mar-2012
Facilities for Thermal power stations	Sequenser units for No. 1 Chemical injection system and other equipment	1	set	Buzen Thermal Power Station	Aug-2011	Jun-2012
Facilities for Thermal power stations	No. 1 Boiler auxiliary control system and others	1	set	Buzen Thermal Power Station	Sep-2011	Jun-2012
Facilities for Thermal power stations	EP rectifier transformer (156 kVA) and other equipment on No. 1 unit	1	set	Buzen Thermal Power Station	Oct-2011	Jun-2012
Facilities for Thermal power stations	Meteorological data processing unit	1	set	Buzen Thermal Power Station	Oct-2011	Jun-2012
Facilities for Thermal power stations	Long size soot blowers on No. 1 unit	1	set	Buzen Thermal Power Station	Sep-2011	Jun-2012
Facilities for Thermal power stations	Meteorological measuring system and other equipment	1	set	Buzen Thermal Power Station	May-2012	Dec-2012
Facilities for Thermal power stations	Actuators for electric control valves on No. 1 unit	1	set	Buzen Thermal Power Station	Jun-2012	May-2013
Facilities for Thermal power stations	VCB on No. 2 unit and other equipment	1	set	Buzen Thermal Power Station	May-2012	May-2013
Facilities for Thermal power stations	Repairing works of steam control valves on No. 1 unit	1	set	Buzen Thermal Power Station	Sep-2011	Jun-2012
Facilities for Thermal power stations	Detailed inspection and repairing works of Governor in No. 1 unit	1	set	Buzen Thermal Power Station	Dec-2011	Jun-2012
Facilities for Thermal power stations	Repairing works of bypass pipes for Superheaters on No. 2 unit	1	set	Buzen Thermal Power Station	Mar-2012	Jun-2013

## Procurement Plan for Our Electric Power Facilities

(Category: Equipment and materials for Thermal power/Nuclear power stations)

(Conditions below are subject to change.)

Description and Specifications		Quantity	Unit	Requesting Office/Station	Month of quotation	Month of delivery
Facilities for Thermal power stations	Repairing works of stator coils for BFPM and other motors on No. 1 unit	1	set	Buzen Thermal Power Station	Sep-2011	Jun-2012
Facilities for Thermal power stations	Repairing works of Reheater on No. 2 Boiler	1	set	Buzen Thermal Power Station	Jun-2012	Jun-2013
Facilities for Thermal power stations	Repairing works of A-BFPT servomotor on No. 1 unit and others	1	set	Buzen Thermal Power Station	Nov-2011	Jun-2012
Facilities for Thermal power stations	Repairing works of B-FDF moving blades on No. 2 unit and others	1	set	Buzen Thermal Power Station	Mar-2012	Jun-2013
Facilities for Thermal power stations	Repairing works of B-FDF main bearings on No. 1 unit	1	set	Buzen Thermal Power Station	Mar-2012	Jun-2014
Facilities for Thermal power stations	Insulation oil	82,000	L	Buzen Thermal Power Station	Apr-2012	Dec-2012
Facilities for Thermal power stations	Repairing works of power supply system for Turbine control system and others on No. 2 unit	1	set	Ainoura Thermal Power Station	May-2011	Dec-2011
Facilities for Thermal power stations	Automatic burner control system on No.2 unit	1	set	Ainoura Thermal Power Station	Mar-2012	Jun-2013
Facilities for Thermal power stations	220 kV Busbar protection system	1	set	Ainoura Thermal Power Station	Oct-2011	Dec-2012
Facilities for Thermal power stations	220 kV Busbar isolation protection system	1	set	Ainoura Thermal Power Station	Jun-2012	May-2013
Facilities for Thermal power stations	Valve drive system of electric control valves on No. 2 APC system	1	set	Ainoura Thermal Power Station	Jun-2012	Jun-2013
Facilities for Thermal power stations	220 kV CB for 220 kV Bus tie and Main transformer	2	set	Ainoura Thermal Power Station	Nov-2011	Jun-2013
Facilities for Thermal power stations	Inverters for Bucket elevator drive on Coal unloading facilities	1	set	Matsuura Thermal Power Station	May-2011	Jan-2012
Facilities for Thermal power stations	Parts for pulverizing rollers on No. 1 unit and others	1	set	Matsuura Thermal Power Station	Apr-2012	May-2013
Facilities for Thermal power stations	Metal detector and other devices for Coal unloading facilities	1	set	Matsuura Thermal Power Station	Jun-2012	Dec-2012
Facilities for Thermal power stations	Electric control drive and other devices on No. 1 unit	1	set	Matsuura Thermal Power Station	Jan-2012	Dec-2012
Facilities for Thermal power stations	Electrodes ( 3-4s ) on No. 1 EP	1	set	Matsuura Thermal Power Station	Jan-2012	Dec-2012
Facilities for Thermal power stations	Repairing works of control system on No. 1 & 2 Coal unloading facilities	1	set	Matsuura Thermal Power Station	Jun-2012	Feb-2013
Facilities for Thermal power stations	Repairing works of Ground clash prevention system on Coal unloading facilities	1	set	Matsuura Thermal Power Station	Jun-2012	Feb-2013
Facilities for Thermal power stations	Repairing works of Baskets on common use Coal unloading facilities and other devices	1	set	Matsuura Thermal Power Station	Dec-2011	Dec-2012
Facilities for Thermal power stations	Detailed inspection works of gear reducers on Pulverizer	1	set	Matsuura Thermal Power Station	Jun-2012	Dec-2012

## Procurement Plan for Our Electric Power Facilities

(Category: Equipment and materials for Thermal power/Nuclear power stations)

(Conditions below are subject to change.)

Description and Specifications		Quantity	Unit	Requesting Office/Station	Month of quotation	Month of delivery
Facilities for Thermal power stations	Repairing works of worm gears for gear reducers on Pulverizer	1	set	Matsuura Thermal Power Station	Feb-2012	Dec-2012
Facilities for Thermal power stations	Reinforcement of HV motor insulation and other repairing works	1	set	Matsuura Thermal Power Station	Jan-2012	Dec-2012
Facilities for Thermal power stations	Detailed inspection and repairing works of Turbine control system and other system	1	set	Matsuura Thermal Power Station	May-2012	Dec-2012
Facilities for Thermal power stations	Inspection and repairing works of APC control system	1	set	Matsuura Thermal Power Station	May-2012	Dec-2012
Facilities for Thermal power stations	Repairing works of Control center units for Flue gas desulfurization, Waste water treatment plant and other unit	1	set	Matsuura Thermal Power Station	May-2012	Dec-2012
Facilities for Thermal power stations	Inspection and repairing works of Gas-Gas Heater bearings	1	set	Matsuura Thermal Power Station	Jan-2012	Dec-2012
Facilities for Thermal power stations	UT inspection and repairing works of Boiler economizer pipings and others	1	set	Matsuura Thermal Power Station	Jun-2012	Dec-2012
Facilities for Thermal power stations	Parts for Inspection of Catalyst on De-NOx system	1	set	Matsuura Thermal Power Station	Jun-2012	Dec-2012
Facilities for Thermal power stations	Repairing works of rubber lining for Condenser	1	set	Matsuura Thermal Power Station	Jun-2012	Dec-2012
Facilities for Thermal power stations	Repairing works of AH gear reducers and others	1	set	Matsuura Thermal Power Station	Apr-2012	Dec-2012
Facilities for Thermal power stations	Repairing works of AH thrust bearings	1	set	Matsuura Thermal Power Station	Jun-2012	Dec-2012
Facilities for Thermal power stations	Secondary superheater and others	1	set	Matsuura Thermal Power Station	May-2012	Dec-2012
Facilities for Thermal power stations	LP economizer panels in HRSG on No. 1-1 System	1	set	Shin Oita Thermal Power Station	Nov-2011	Dec-2012
Facilities for Thermal power stations	Generator protection system on No. 1-6 System	1	set	Shin Oita Thermal Power Station	Nov-2011	Dec-2012
Facilities for Thermal power stations	Thyristor control system on No. 1-1 System	1	set	Shin Oita Thermal Power Station	Jan-2012	Dec-2012
Facilities for Thermal power stations	LP economizer panels in HRSG on No. 2-3 System	1	set	Shin Oita Thermal Power Station	Nov-2011	Jun-2013
Facilities for Thermal power stations	Detailed inspection and repairing works of Steam turbine rotor on No. 1-1 System and others	1	set	Shin Oita Thermal Power Station	Dec-2011	Dec-2012
Facilities for Thermal power stations	Repairing works of Turbine supervisory instruments on No. 1-5 System	1	set	Shin Oita Thermal Power Station	Mar-2012	Sep-2012
Facilities for Thermal power stations	Repairing works of Turbine supervisory instruments on No. 1-6 System	1	set	Shin Oita Thermal Power Station	May-2012	Nov-2012
Facilities for Thermal power stations	Suction filters on No. 2-4 System	1	set	Shin Oita Thermal Power Station	Jul-2011	Oct-2011
Facilities for Thermal power stations	Repairing works of GT Exhaust hood on No. 2-2 System	1	set	Shin Oita Thermal Power Station	Jun-2011	Jul-2012

## Procurement Plan for Our Electric Power Facilities

(Category: Equipment and materials for Thermal power/Nuclear power stations)

(Conditions below are subject to change.)

Description and Specifications		Quantity	Unit	Requesting Office/Station	Month of quotation	Month of delivery
Facilities for Thermal power stations	Split rings for GT Stator blade ring at 3rd & 4th stages on No. 2 System	1	set	Shin Oita Thermal Power Station	Dec-2011	Apr-2012
Facilities for Thermal power stations	Repairing works of GT Stator blade rings on No. 2-4 System ( periodical inspection )	1	set	Shin Oita Thermal Power Station	Jul-2011	Oct-2011
Facilities for Thermal power stations	Repairing works of Lead bushings on No. 2-1 generator	1	set	Shin Oita Thermal Power Station	Jul-2011	Jul-2012
Facilities for Thermal power stations	Repairing works of Lead bushings on No. 2-2 generator	1	set	Shin Oita Thermal Power Station	Apr-2012	Feb-2013
Facilities for Thermal power stations	Inspection and repairing works of Control centers on No. 2-4 System and others	1	set	Shin Oita Thermal Power Station	May-2011	Nov-2011
Facilities for Thermal power stations	Repairing works of GT swirlers on No. 3 System	14	set	Shin Oita Thermal Power Station	Jun-2011	Mar-2012
Facilities for Thermal power stations	Repairing works of GT swirlers	14	set	Shin Oita Thermal Power Station	Jan-2012	Oct-2012
Facilities for Thermal power stations	Cubicles and others	1	set	Oita Thermal Power Station	Jul-2011	Dec-2011
Facilities for Thermal power stations	No. 1 unit computer, Turbine control system and other systems	1	set	Reihoku Thermal Power Station	Jul-2011	Jun-2013
Facilities for Thermal power stations	Data transmission panel for No. 1 Boiler	1	set	Reihoku Thermal Power Station	Jan-2012	Jun-2013
Facilities for Thermal power stations	Water quality control system on No. 1 unit	1	set	Reihoku Thermal Power Station	Apr-2012	Jun-2013
Facilities for Thermal power stations	Repairing works of Reheater outlet header on No. 1 Boiler	1	set	Reihoku Thermal Power Station	Oct-2011	Jun-2013
Facilities for Thermal power stations	Electric driven system for No. 1 APC	1	set	Reihoku Thermal Power Station	Jun-2012	Jun-2013
Facilities for Thermal power stations	Secondary Reheater tubes and others	1	set	Reihoku Thermal Power Station	May-2011	Jun-2012
Facilities for Thermal power stations	Repairing works of No. 1B conveyor belts	1	set	Reihoku Thermal Power Station	Jun-2011	May-2012
Facilities for Thermal power stations	Repairing works of Boiler generating tubes on No.2 Unit	1	set	Reihoku Thermal Power Station	Jul-2011	Jun-2012
Facilities for Thermal power stations	Parts for 1st stage moving blade on No. 1 IDF	1	set	Reihoku Thermal Power Station	Jul-2011	Mar-2013
Facilities for Thermal power stations	Parts for Table feeders on No. 2 Coal unloading facilities	1	set	Reihoku Thermal Power Station	Sep-2011	Mar-2012
Facilities for Thermal power stations	Repairing works of electrolytic cell on No. 2 Chlorination system	1	set	Reihoku Thermal Power Station	Oct-2011	May-2012
Facilities for Thermal power stations	Parts for Burner AA port on No. 2 Burner	1	set	Reihoku Thermal Power Station	Nov-2011	Mar-2012
Facilities for Thermal power stations	Parts for No. 2 AH inspection	1	set	Reihoku Thermal Power Station	Nov-2011	Mar-2012

## Procurement Plan for Our Electric Power Facilities

(Category: Equipment and materials for Thermal power/Nuclear power stations)

(Conditions below are subject to change.)

Description and Specifications		Quantity	Unit	Requesting Office/Station	Month of quotation	Month of delivery
Facilities for Thermal power stations	Shaving repair of T-shaped bars on No. 2 AH and other repairing works	1	set	Reihoku Thermal Power Station	Nov-2011	Jun-2012
Facilities for Thermal power stations	Parts for No. 2 EP inspection and others	1	set	Reihoku Thermal Power Station	Nov-2011	Mar-2012
Facilities for Thermal power stations	Overhaul and repairing works of gear reducers on No. 3B Conveyor	1	set	Reihoku Thermal Power Station	Nov-2011	Jun-2012
Facilities for Thermal power stations	Repairing works of MSV servomotors on No. 2 Turbine	1	set	Reihoku Thermal Power Station	Nov-2011	Jun-2012
Facilities for Thermal power stations	Inspection of weldings of LP Turbine bypass tubes on No. 2 Boiler	1	set	Reihoku Thermal Power Station	Nov-2011	Jun-2012
Facilities for Thermal power stations	Parts for repairing of Sootblowers on No. 2 Boiler	1	set	Reihoku Thermal Power Station	Dec-2011	Feb-2012
Facilities for Thermal power stations	Inspection of Ash erosion area at high pressure compartment on No.2 Unit and other portions	1	set	Reihoku Thermal Power Station	Dec-2011	Jun-2012
Facilities for Thermal power stations	Inspection of Spray attemperator at Superheater on No. 2 Boiler and other inspector	1	set	Reihoku Thermal Power Station	Dec-2011	Jun-2012
Facilities for Thermal power stations	Inspection of CB on Reihoku-Karyoku No. 2 Line and others	1	set	Reihoku Thermal Power Station	Dec-2011	Jun-2012
Facilities for Thermal power stations	Repairing works of rotating dampers for Tertiary air on No. 2 Burner system	1	set	Reihoku Thermal Power Station	Mar-2012	Jun-2012
Facilities for Thermal power stations	Inspection and repairing works of Turbine control system on No. 2 unit and others	1	set	Reihoku Thermal Power Station	Dec-2011	Jun-2012
Facilities for Thermal power stations	Cartridge filter of Filtering devices for Condensate demineralizer on No. 2 unit and other materials	1	set	Reihoku Thermal Power Station	Nov-2011	Apr-2012
Facilities for Thermal power stations	Inspection of weldings of Boiler generating tubes on No. 2 Boiler and others	1	set	Reihoku Thermal Power Station	Dec-2011	May-2012
Facilities for Thermal power stations	No. 1 Unloader chain and others	1	set	Reihoku Thermal Power Station	Mar-2012	Mar-2013
Facilities for Thermal power stations	Parts for Table segments for No. 1 Pulverizer and others	1	set	Reihoku Thermal Power Station	Feb-2012	Jun-2012
Facilities for Thermal power stations	Repairing works of Catalyst on De-NOx system	1	set	Reihoku Thermal Power Station	Apr-2012	Jun-2013
Facilities for Thermal power stations	Repairing works of No. 1A conveyor belts	1	set	Reihoku Thermal Power Station	Jun-2012	May-2013
Facilities for Thermal power stations	Overhaul and repairing works hydraulic motor (A) for No. 2 Unloader bucket elevator and others	1	set	Reihoku Thermal Power Station	Nov-2011	Jun-2012
Facilities for Thermal power stations	Sulfur analyzer on No. 2 unit	1	set	Sendai Thermal Power Station	Jun-2011	Apr-2012
Facilities for Thermal power stations	Sulfur analyzer on No. 1 unit	1	set	Sendai Thermal Power Station	Feb-2012	Dec-2012
Facilities for Thermal power stations	Disconnection and connection works of lead-wire in connection boxes on Main transforme	1	set	Sendai Thermal Power Station	Jun-2011	Mar-2012

## Procurement Plan for Our Electric Power Facilities

(Category: Equipment and materials for Thermal power/Nuclear power stations)

(Conditions below are subject to change.)

Description and Specifications		Quantity	Unit	Requesting Office/Station	Month of quotation	Month of delivery
Facilities for Thermal power stations	Repairing works of No. 2 Turbine bearings	1	set	Sendai Thermal Power Station	May-2011	Mar-2012
Facilities for Thermal power stations	Repairing works of sealing materials for floating roof on No. 3 fuel oil tank	1	set	Sendai Thermal Power Station	Nov-2011	Nov-2012
Facilities for Thermal power stations	Repairing works of corrosive parts of No. 1 Starting transformer and others	1	set	Sendai Thermal Power Station	Jun-2011	Feb-2012
Facilities for Thermal power stations	Repairing works of No. 2 A/B-CWP motors	1	set	Sendai Thermal Power Station	Jun-2011	May-2012
Facilities for Thermal power stations	Repairing works of corrugated casing bellows for Boiler ceiling generating tubes on No. 2 Boile	1	set	Sendai Thermal Power Station	Oct-2011	Mar-2012
Facilities for Thermal power stations	Parts for A-Rotary screen on No. 2 unit	1	set	Sendai Thermal Power Station	Jun-2011	Apr-2012
Facilities for Thermal power stations	Repairing works of elements for steam type AH on No. 2 unit	1	set	Sendai Thermal Power Station	Jul-2011	Apr-2012
Facilities for Thermal power stations	Repairing works of AH High temperature elements on No. 2 unit	1	set	Sendai Thermal Power Station	Jul-2011	Apr-2012
Facilities for Thermal power stations	Repairing works of side wall fins at Boiler heat recovery area on No. 2 unit	1	set	Sendai Thermal Power Station	Oct-2011	Apr-2012
Facilities for Thermal power stations	Repairing works of outlet valves for Cooling water booster pump and others	1	set	Sendai Thermal Power Station	Aug-2011	Apr-2012
Facilities for Thermal power stations	Repairing works of Control equipment for EP on No. 2 unit	1	set	Sendai Thermal Power Station	Aug-2011	Apr-2012
Facilities for Thermal power stations	Overall, inspection and repairing works of EH governer on No. 2 unit	1	set	Sendai Thermal Power Station	Apr-2012	Dec-2012
Facilities for Thermal power stations	Repairing works of Fault annunciation system	1	set	Sendai Thermal Power Station	Apr-2012	Feb-2013
Facilities for Nuclear power stations	Inspection of Safety valves on No. 1 unit and others	1	set	Genkai Nuclear Power Station	Sep-2011	Feb-2012
Facilities for Nuclear power stations	Inspection of Safety valves on No. 2 unit and others	1	set	Genkai Nuclear Power Station	Feb-2012	Jul-2012
Facilities for Nuclear power stations	Inspection and other works of Underwater TV camera for primary system equipment to replace fuel rods on No. 1 uni	1	set	Genkai Nuclear Power Station	Sep-2011	Feb-2012
Facilities for Nuclear power stations	Inspection and other works of Underwater TV camera for primary system equipment to replace fuel rods on No. 2 uni	1	set	Genkai Nuclear Power Station	Feb-2012	Jul-2012
Facilities for Nuclear power stations	Valves, pipings and other materials to replace for primary system on Unit No. 2	1	set	Genkai Nuclear Power Station	Nov-2011	May-2012
Facilities for Nuclear power stations	Parts for Air operated valves on No. 2 unit	1	set	Genkai Nuclear Power Station	Nov-2011	May-2012
Facilities for Nuclear power stations	ECT robot for Steam generator	1	set	Genkai Nuclear Power Station	Jun-2011	Mar-2013
Facilities for Nuclear power stations	Tightning equipment for Stud bolts on Reactor pressure vessel	1	set	Genkai Nuclear Power Station	May-2011	Jun-2012

## Procurement Plan for Our Electric Power Facilities

(Category: Equipment and materials for Thermal power/Nuclear power stations)

(Conditions below are subject to change.)

Description and Specifications		Quantity	Unit	Requesting Office/Station	Month of quotation	Month of delivery
Facilities for Nuclear power stations	Auxiliary hoist of Traveling crane for fuel rod replacement	1	set	Genkai Nuclear Power Station	Sep-2011	Feb-2012
Facilities for Nuclear power stations	Cavity linings	1	set	Genkai Nuclear Power Station	Sep-2011	Jun-2013
Facilities for Nuclear power stations	Cavity linings	1	set	Genkai Nuclear Power Station	Feb-2012	Jul-2012
Facilities for Nuclear power stations	Secondary ceramic filters	1	set	Genkai Nuclear Power Station	Jun-2011	Jun-2012
Facilities for Nuclear power stations	Brakes for main and auxiliary hoist on Traveling crane in Cask storage building and others	1	set	Genkai Nuclear Power Station	Oct-2011	Oct-2012
Facilities for Nuclear power stations	Valves, pipings and other materials to replace for primary system on Unit No. 1	1	set	Genkai Nuclear Power Station	Jun-2012	Mar-2013
Facilities for Nuclear power stations	Iodine and Tritium sampler	2	set	Genkai Nuclear Power Station	Dec-2011	Feb-2013
Facilities for Nuclear power stations	NAI type whole body counter	1	set	Genkai Nuclear Power Station	Dec-2011	Feb-2013
Facilities for Nuclear power stations	Iodine and Tritium sampler	1	set	Genkai Nuclear Power Station	May-2011	Feb-2012
Facilities for Nuclear power stations	Contamination monitor for hands, foots and clothes	4	set	Genkai Nuclear Power Station	May-2011	Dec-2011
Facilities for Nuclear power stations	Visual inspection equipment for fuels	1	set	Genkai Nuclear Power Station	Oct-2011	Mar-2013
Facilities for Nuclear power stations	Control rod clusters	4	set	Genkai Nuclear Power Station	May-2011	Feb-2012
Facilities for Nuclear power stations	Control rod clusters	5	set	Genkai Nuclear Power Station	Mar-2012	Jan-2013
Facilities for Nuclear power stations	Secondary neutron source	2	set	Genkai Nuclear Power Station	Sep-2011	May-2013
Facilities for Nuclear power stations	Burnable poison	8	set	Genkai Nuclear Power Station	Apr-2012	Nov-2012
Facilities for Geothermal power stations	Steam separator on No. 1 unit	1	set	Yamagawa Geothermal Power Station	Aug-2011	Nov-2012
Facilities for Geothermal power stations	Generator/Transformer protection relays on No. 1 unit	1	set	Yamagawa Geothermal Power Station	Oct-2011	Nov-2012
Facilities for Geothermal power stations	Protection relay panels on No. 1 unit	1	set	Oogiri Geothermal Power Station	Apr-2012	Apr-2013
Facilities for Geothermal power stations	Automatic reactive power regulation system	1	set	Takigami Geothermal Power Station	Nov-2011	Jun-2012
Facilities for Geothermal power stations	Batteries for DC power supply system	1	set	Takigami Geothermal Power Station	Jan-2012	May-2012
Facilities for Geothermal power stations	Repairing works of Sequensers	1	set	Takigami Geothermal Power Station	Dec-2011	Jun-2012

## Procurement Plan for Our Electric Power Facilities

(Category: Equipment and materials for Thermal power/Nuclear power stations)

(Conditions below are subject to change.)

Description and Specifications		Quantity	Unit	Requesting Office/Station	Month of quotation	Month of delivery
Facilities for Geothermal power stations	Repairing works of Remote control system	1	set	Takigami Geothermal Power Station	Aug-2011	Jun-2012
Facilities for Geothermal power stations	Protection system related to Generator/Transformer on No.1 unit	1	set	Hatchobaru Geothermal Power Station	Jul-2011	Oct-2012
Facilities for Geothermal power stations	Motor for Electric blowers on No. 1 unit	1	set	Hatchobaru Geothermal Power Station	Nov-2011	Oct-2012
Facilities for Geothermal power stations	Oil seal unit for No. 1 generator	1	set	Hatchobaru Geothermal Power Station	Jul-2011	Oct-2012
Facilities for Geothermal power stations	B side Batteries on No. 1 unit	1	set	Hatchobaru Geothermal Power Station	Jun-2012	Nov-2012
Facilities for Geothermal power stations	Silencers for production wells on No. 1 unit	1	set	Hatchobaru Geothermal Power Station	Jun-2012	Sep-2012
Facilities for Geothermal power stations	Steel pipings for wells	185	t	Hatchobaru Geothermal Power Station	Apr-2012	Sep-2012
Facilities for Geothermal power stations	Spare parts for Generator and Line protection in Otake geothermal power station	1	set	Hatchobaru Geothermal Power Station	Oct-2011	Apr-2012
Facilities for Geothermal power stations	Repairing works of lower part fillers for No. A, C and D cells on Cooling towers	1	set	Hatchobaru Geothermal Power Station	Jul-2011	Feb-2012
Facilities for Geothermal power stations	Inspection and repairing works of large scale rig	1	set	Hatchobaru Geothermal Power Station	May-2012	Mar-2013
Facilities for Geothermal power stations	Inspection and repairing works of sand filter equipment in Arsenic extraction system	1	set	Hatchobaru Geothermal Power Station	Jun-2011	Oct-2011
Facilities for Geothermal power stations	Inspection and repairing works of sand filter equipment in Arsenic extraction system	1	set	Hatchobaru Geothermal Power Station	Jun-2012	Oct-2012
Facilities for Internal combustion power stations	Repairing works of Piston skirts and other equipment	1	set	Shin Iki Internal Combustion Power Station	Mar-2012	Nov-2012
Facilities for Internal combustion power stations	Repairing works of Cylinder covers and other equipment	1	set	Toyotama Internal Combustion Power Station	Mar-2012	Sep-2012
Facilities for Internal combustion power stations	Repairing works of Overspeed and underspeed relays, and other equipment	1	set	Within Kagoshima Branch Office	May-2011	Mar-2012
Facilities for Internal combustion power stations	Data loggers	1	set	Koshikijima No.1 Internal Combustion Power Station	Apr-2012	Dec-2012
Facilities for Internal combustion power stations	Coolers for cooling water	1	set	Tanegashima No. 1 Internal Combustion Power Station	Apr-2012	Feb-2013
Facilities for Internal combustion power stations	Repairing works of Crank pins and other equipment	1	set	Tanegashima No. 1 Internal Combustion Power Station	Jan-2012	Feb-2013
Facilities for Internal combustion power stations	Data loggers	1	set	Shin Tokunoshima Internal Combustion Power Station	Apr-2012	Dec-2012
Facilities for Internal combustion power stations	Repairing works of Spark arresters on stack and other equipment	1	set	Shin Yoron Internal Combustion Power Station	Aug-2011	Nov-2011
Facilities for Internal combustion power stations	Cooling towers	1	set	Yoron Internal Combustion Power Station	Nov-2011	Feb-2012
