Revision of dividends forecasts for the fiscal year ended March 31st 2017

We hereby announce dividends forecasts for the fiscal year ended March 31st 2017, which had not been decided in “Financial Results for the 2Q of FY2016” announced on October 31st 2016.

1 The reason of revision of dividends forecasts

We determine our dividends taking into consideration our financial results comprehensively based on maintenance of stable dividend.

Regarding dividends forecasts for the fiscal year ended March 31st 2017, we have decided to pay out ¥10 per common share and ¥ 3.5 million per Class A preferred share taking into consideration financial results of FY2016 and financial conditions comprehensively.
