

June 2, 2017 Kyushu Electric Power Co., Inc.

Information regarding the FY2017 Management Plan etc. ~The Financial Targets on Kyushu Electric Power Group's Medium-term Management Policy And the Outline of the FY2017 Management Plan~

Kyushu Electric Power Group has supported customers' lives and economic activities and has continued to grow with Kyushu by supplying inexpensive and high-quality energy to our customers stably based on Kyushu Electric Power's mission that brand message is "Make a brighter future for generations to come".

To continue to be trusted and chosen by customers, we formulated the Kyushu Electric Power Group's Medium-term Management Policy as the management direction in April 2015, and we have made maximum efforts for the initiatives toward the early restarting of nuclear power stations, improvement of financial conditions and overcoming the competitions of the full liberalization of the electricity and gas retail markets.

While the environment surrounding the energy business continues to change, we consider that it is necessary to further clarify our group's management stance toward customers and investors and accelerate initiatives for the management innovation. Therefore, we set our financial targets for the next five years to realize our vision, and we announced that we compiled the action plan for achieving the targets as "Outline of the FY2017 Management Plan".

[Financial Targets (based on consolidated financial results)]

Item	Targets
Shareholders' Equity Ratio (As of FY2021)	Around 20 %
Ordinary Income (Average for FY2017 to FY2021)	Over 110 billion yen
Investment for Growth (Cumulative total for FY2017 to FY2021)	420 billion yen

Aiming to become a corporate group that provides Japan's best energy services that we declare on Kyushu Electric Power Group's Medium-term Management Policy, we will continue to push forward with various initiatives on a group wide basis, and aiming to achieve sustained growth and to provide value to our stakeholders.
