Kyushu Electric Power Company Inc.

Changes in Application of Pre-Operation Inspection regarding Genkai Nuclear Power Station Unit No.3 and 4

We reviewed the inspection process and carried out the procedures pertaining to changes in application of pre-operation inspection regarding Genkai Nuclear Power Station Unit No.3 and 4 to the Nuclear Regulatory Authority (NRA) based on the Reactor Regulation Act, etc. today.

We will respond sincerely and politely to the pre-operation inspection by the NRA and making best effort to assure the safety check for the restart of our nuclear power station as well as communicate with the community.

(Details regarding pre-operation inspection)
