

Kyuden Group Sustainability Policy

As a corporate group that creates the future from Kyushu, we will contribute to a sustainable society and enhance our corporate value, by creating both “social value” and “economic value” through our businesses.

- We remain unwavering in our mission to support people’s lives and the economy by providing energy and we will continue to work together with local communities to resolve social issues through our business activities.
- We will cultivate strong relationships of trust with our stakeholders through responsible engagement.
- We will take on the challenge of solving global social issues and contribute to the achievement of the SDGs.
