

# Presenting the 2017 Kyushu Electric Power Company Environmental Action Report.

## ■ Editorial Policy

Since 1996, the Kyushu Electric Power has published an Environmental Action Report to let the broader public know what we are doing as a company to help the environment. In this year's report, the environmental initiatives we undertook based on the 2016 Kyushu Electric Power Company Group Environmental Action Plan are showcased and their results presented in detail.
