

Independent Review of the Environmental Action Report

The Japanese version of this Environmental Action Report has been certified by Deloitte Tohmatsu Sustainability Co., Ltd., to ensure the reliability of the environmental data it presents.

For the independent, third-party certification report (Page 54), see our website (http://www.kyuden.co.jp/library/pdf/environment/action-report17/booklet/report/P54_170809.pdf).
