

# The Kyushu Electric Group's ESG

This section will introduce the Corporate Governance structure forming the premise of initiatives for Kyushu Electric Power's ESG, and initiatives for the seven main CSR key issues.

## Corporate Governance

Strengthening governance to achieve sustainable growth and enhance corporate value over the medium- to long-term.

See page 36

## Creating Customer Satisfaction

We provide products and services with value that respond to customers' needs and challenges.

See page 45

## Pursue safety and security

We are meticulous about safety measures for equipment and securing the safety of workers and conduct business prioritizing safety and ease of mind above all.

See page 46

## Environmentally Friendly Business

We are advancing with initiatives toward the preservation of the environment, and co-existence with it.

See page 48

5

### Fair and Just Business Operation

We conduct business operations in a fair and just manner with individual employees possessing a strong awareness of compliance.

See page 50

6

### Sincere Communication with the Community

We disclose information in a timely manner and actively advance communication with communities.

See page 51

7

### Co-Existing with Communities and Society

We contribute to resolving community and social issues through environmental activities, support for raising future generations and activities deeply rooted in the community.

See page 52

8

### Respect for Human Rights and Creation of Worker Friendly Workplaces

We respect human rights and strive to create workplace environments that enable diverse human resources to maximize their talents.
