Kyushu Electric Power Co., Inc.

Kyushu Electric Power Co., Inc. to Open U.S. Office for Urban Development

Kyushu Electric Power Co., Inc. will open a local office of its U.S.-based subsidiary, Kyuden Urban Development America, LLC (KUDA), in Torrance, California to strengthen its urban development business operations in the United States.

To date, Kyushu Electric Power and KUDA have participated in ten residential and logistics real estate development projects overseas. Through the opening of this new office, we will further enhance our local business execution capabilities to identify and pursue new investment and development opportunities in the United States.

The Kyuden Group will continue to proactively pursue urban development and placemaking initiatives toward the realization of the Kyuden Group Management Vision 2035.

U.S. Office Overview

Location	21250 Hawthorne Boulevard, Torrance, California 90503
Opening Date	September 8, 2026
